To Major Genl O.O. Howard
My Dear Sir:

It is my pleasure to know Doctor C. W. Horner of this City. He has been a member of my Parish for the past six years. I have full confidence in his capacity, integrity and professional skills. He has been devoted to the Government thro its great struggles and employed in its active service. He has the repute of having given entire satisfaction, at every post at which he has been stationed. He now applies for appointment as Chief Medical Officer in connexion with the "Bureau of Freedmen &c"

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
