The Smithsonian Institution thanks all digital volunteers that transcribed and reviewed this material. Your work enriches Smithsonian collections, making them available to anyone with an interest in using them.

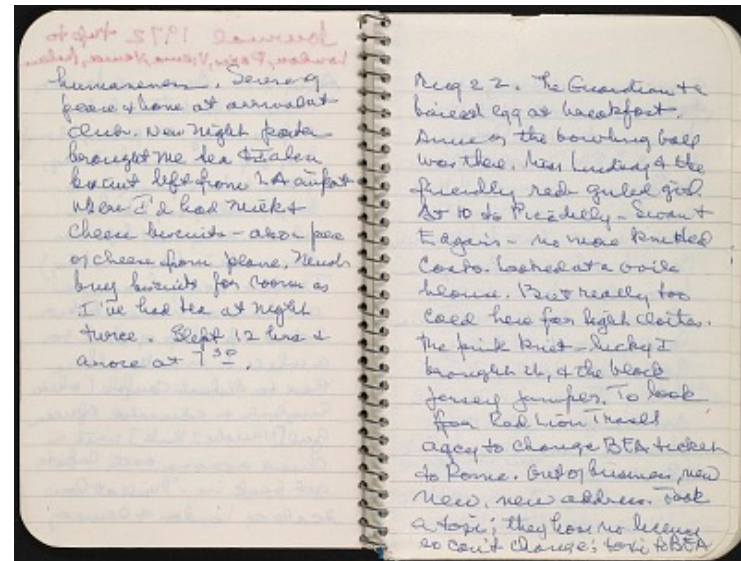

The Smithsonian Institution (the "Smithsonian") provides the content on this website (transcription.si.edu), other Smithsonian websites, and third-party sites on which it maintains a presence ("SI Websites") in support of its mission for the "increase and diffusion of knowledge." The Smithsonian invites visitors to use its online content for personal, educational and other non-commercial purposes. By using this website, you accept and agree to abide by the [following terms](#).

- If sharing the material in personal and educational contexts, please cite the Archives of American Art as source of the content and the project title as provided at the top of the document. Include the accession number or collection name; when possible, link to the Archives of American Art website.
- If you wish to use this material in a for-profit publication, exhibition, or online project, please contact Archives of American Art or transcribe@si.edu

For more information on this project and related material, contact the Archives of American Art. [See this project](#) and other collections in the Smithsonian Transcription Center.

humaneness. Scene of peace & love at arrival at club. New night porter brought me tea & I ate a biscuit left from LA airport where I'd had milk & cheese biscuits - also a piece of cheese from plane. Must buy biscuits for room as I've had tea at night twice. Slept 12 hrs & arose at 7:30.

Aug 22. The Guardian & a boiled egg at breakfast. [[A?]] of the bowling ball was there. Miss Lindsay & the friendly red-[[garbed?]] girl. At 10 to Picadilly - Sloan & Edgar's - no more knitted coats. Looked at a voile blouse. But really too cold here for light clothes. The pink knit - lucky I brought it, & the black jersey jumper. To look for Red Lion Travel Agcy to change BEA ticket to Rome. Out of business, new new, new address. Took a taxi; they have no license so can't change; taxi to BEA

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
