The Smithsonian Institution thanks all digital volunteers that transcribed and reviewed this material. Your work enriches Smithsonian collections, making them available to anyone with an interest in using them.

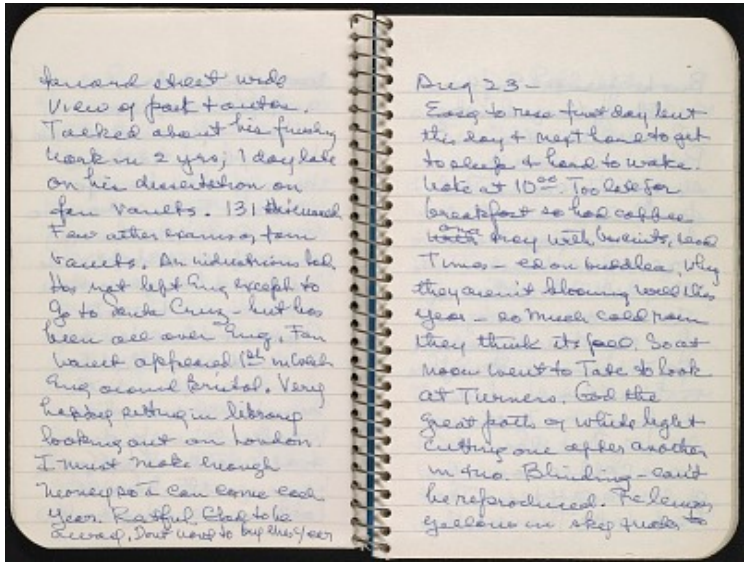

The Smithsonian Institution (the "Smithsonian") provides the content on this website (transcription.si.edu), other Smithsonian websites, and third-party sites on which it maintains a presence ("SI Websites") in support of its mission for the "increase and diffusion of knowledge." The Smithsonian invites visitors to use its online content for personal, educational and other non-commercial purposes. By using this website, you accept and agree to abide by the following terms.

- If sharing the material in personal and educational contexts, please cite the Archives of American Art as source of the content and the project title as provided at the top of the document. Include the accession number or collection name; when possible, link to the Archives of American Art website.
- If you wish to use this material in a for-profit publication, exhibition, or online project, please contact Archives of American Art or transcribe@si.edu

For more information on this project and related material, contact the Archives of American Art. See this project and other collections in the Smithsonian Transcription Center.

toward street wide view of park & autos. Talked about his finishing work in 2 yrs; 1 day late on his dissertation on fan vaults. 131 discussed. Few other exams of fan vaults. An industrious lad. Hes not left Eng except to go to Santa Cruz- but has been all over Eng. Fan vault appeared 1st in West eng around Bristol. Very happy sitting in library looking out on London. I must make enough money so I can come each year. Restful. Glad to be away. Dont want to buy this year

Aug 23-
Easy to rise first day but this day & next hard to get to sleep & hard to wake. Woke at 10:00. Too late for breakfast so had coffee [[strikethough]] with [[/strikethough]] on a tray with biscuits, read Times-ed on buddlea, why they aren't blooming well this year- so much cold rain they think its fall. So at noon went to Tate to look at turners. God the great path of white light cutting one after another in two. Blinding- can't be reproduced. The lemon yellows in sky treates too

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities.Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
