Dear Charles and Fran;

How nice it was to hear from you two guys! I had been thinking about you time from time and maybe there is something to this psychic perception. As you note I didn't get all caught up in the Xmas card hassle, so that's why you didn't hear from us in that respect.

We were sorry to hear that Charles W. had been in hospital but we are happy to hear that he is out and is mending

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
