February 7, 1972

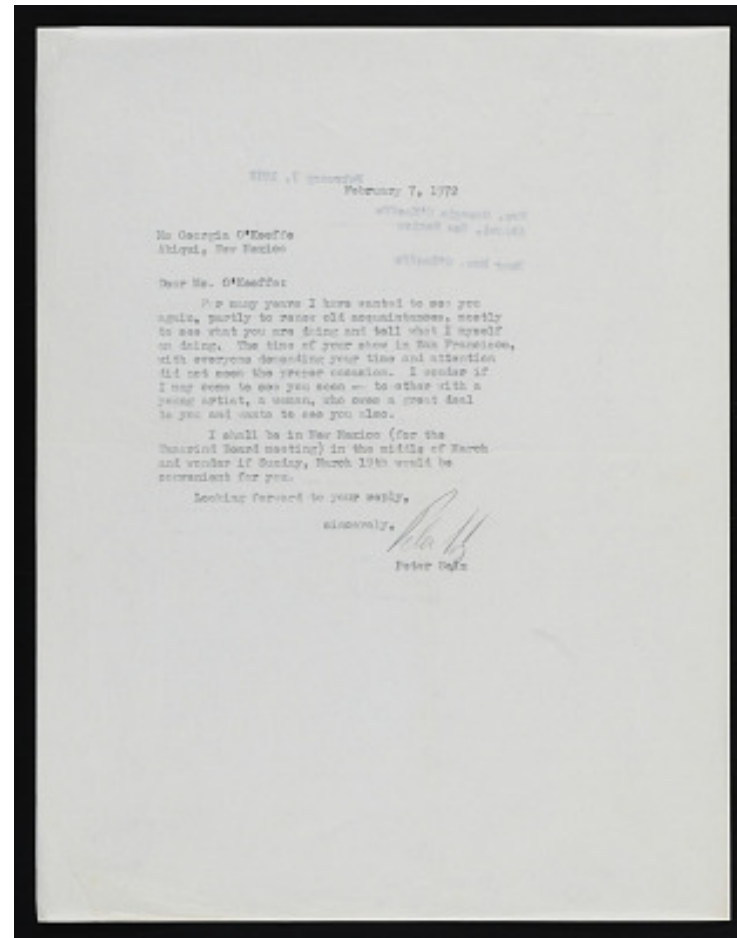

Ms Georgia O'Keeffe
Abiqui, New Mexico

Dear Ms. O'Keeffe:

For many years I have wanted to see you again, partly to renew old acquaintances, mostly to see what you are doing and tell what I myself am doing. The time of your show in San Francisco, with everyone demanding your time and attention did not seem the proper occasion. I wonder if I may come to see you soon -- together with a young artist, a woman, who owes a great deal to you and wants to see you also.

I shall be in New Mexico (for the Tamarind Board meeting) in the middle of March and wonder if Sunday, March 19th would be convenient for you.

Looking forward to your reply,
sincerely,
Peter Selz

Archives of American Art

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
