General

I am of the opinion that a liberal adjustment with Genl Pellou as to rents for the present year will be productive of good. He has been a large planter. He will employ nearly one hundred families - will establish schools & churches on his plantations and will I think cooperate most heartily with the Bureau

Very Respectfully

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
