Portrait Presentation: A Conversation with Alice Waters

Extracted on Mar-29-2024 04:14:23

The Smithsonian Institution thanks all digital volunteers that transcribed and reviewed this material. Your work enriches Smithsonian collections, making them available to anyone with an interest in using them.

The Smithsonian Institution (the "Smithsonian") provides the content on this website (transcription.si.edu), other Smithsonian websites, and third-party sites on which it maintains a presence ("SI Websites") in support of its mission for the "increase and diffusion of knowledge." The Smithsonian invites visitors to use its online content for personal, educational and other non-commercial purposes. By using this website, you accept and agree to abide by the [following terms](#).

- If sharing the material in personal and educational contexts, please cite the National Portrait Gallery as source of the content and the project title as provided at the top of the document. Include the accession number or collection name; when possible, link to the National Portrait Gallery website.
- If you wish to use this material in a for-profit publication, exhibition, or online project, please contact National Portrait Gallery or transcribe@si.edu

For more information on this project and related material, contact the National Portrait Gallery. [See this project](#) and other collections in the Smithsonian Transcription Center.

WEBVTT

00:49:32.000 --> 00:49:51.000

<i>José Andrés</i>: That's a powerful phrase. And if we have to embrace that phrase in a person, I don't think it's a better person, really - to help us maintaining the north of - "Where should we go? Where are we supposed to be going?" - than Alice Waters.

00:49:51.000 --> 00:50:04.000

So, I know we are gonna be celebrating her outside, but I do believe we need more than one recognition, so help me give her a big round of applause for everything she is doing.

00:50:04.000 --> 00:50:19.000

[[applause]]

<i>Alice Waters</i>: Thank you.

00:50:19.000 --> 00:50:27.000

<i>Alice Waters</i>: [[laughter]]

<i>José Andrés</i>: OK, we don't have insurance here - so please don't hurt yourself. [[audience laughter]]

<i>Alice Waters</i>: No, but - just bring them right over here ... [[cross talk]] I could have them.

00:50:27.000 --> 00:50:37.000

<i>Marty</i>: One--one final thought before--before we all adjourn up to the courtyard, where we're going to have the portrait unveiling and a--and a ceremony and presentation for that -

00:50:37.000 --> 00:50:54.000

but the parting thought for this wonderful, really wonderful conversation - Alice and José - is: 'Isn't she a remarkable human being?' - and - 'Aren't we lucky to have her?'

00:50:54.000 --> 00:51:04.000

[[applause]]

00:51:04.000 --> 00:51:13.392

<i>Marty</i>: Please go on up to the courtyard.

National Portrait Gallery

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
