Dear Clem, Jermy,

Getting settled in. Kind of Rough - Hot water not in yet + its been cold + wet up here. Feeling depressed. My sketches didn't come yet, maybe i'll feel better when I do a little work. I'm mostly depressed about my work I don't feel like its good enough and + don't feel like I'm getting anywhere with it - sales to the contrary. I don't feel like I'm making it strong enough. I wish I didn't always end up being alone, although it's my own doing, + may come down about the 22nd and come out to see you. My address for the Summer is Box 524, Drop me a card
love Ken

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
