the church thought I had no right to choose other trustees but said I should have taken the trustees of the church. I told them that I was a stranger here and that I would change the trustees. This I did but still they are not satisfied. Some say that they won't send their children to an old Northern free negro.

Some of them say that they will stop me from teaching after this month. They that they want White teachers and that they do not want a Northern Free negro.

I have been teaching this month boarding myself and find wood for the School House.
The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
