For more information on this project and related material, contact the Archives of American Art. [See this project](#) and other collections in the Smithsonian Transcription Center.

Saturday,

Dear Hedda,

Today I'm no more sick but doctor says I should stay at home couple more days. Fred called this morning, just arrived. I'll see him when I'll go out ~~ca~~ it's not right to give him my gripe - very contagious, real epidemic everybody has it. I keep apologizing to you that I'm sick and try to minimize it so that you won't say - See I told you - and as soon as you left and taken away that protective wing (fine wing, fine nipple) Shrum! I got sick. Mozell cooked chicken and I'm well stocked with eggs and fruit juices.

This morning 8 o'clock registered letter from people I sent that penicillin air mail. They got it and they ask for once again the same amount. Big problem there. Don't know what to do.

Saturday.

Dear Hedda,

Today I'm no more sick but doctor says I should stay at home couple more days. Fred called this morning, just arrived - I'll see him when I'll go out ~~ca~~ it's not right to give him my gripe - very contagious, real epidemic everybody has it. Archives of American Art

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
