Dear Hedda,

I'm by now about at the end of my trips, beautiful trip, had a good and safe ship and lots of dirty railroad.

I'm now somewhere in India and it seems I'll spend some time here before going to my final destination. All I can tell you about me is that I'm in good health, as lazy as usual and possible, very very hot here especially now.

I sent you a telegram as soon as we hit land and another later. They were all standard

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
