Celebrating 175: Correspondence, Steinberg, Saul, 1943

Extracted on Jan-30-2023 02:55:15

The Smithsonian Institution thanks all digital volunteers that transcribed and reviewed this material. Your work enriches Smithsonian collections, making them available to anyone with an interest in using them.

The Smithsonian Institution (the "Smithsonian") provides the content on this website (transcription.si.edu), other Smithsonian websites, and third-party sites on which it maintains a presence ("SI Websites") in support of its mission for the "increase and diffusion of knowledge." The Smithsonian invites visitors to use its online content for personal, educational and other non-commercial purposes. By using this website, you accept and agree to abide by the [following terms](#).

- If sharing the material in personal and educational contexts, please cite the Archives of American Art as source of the content and the project title as provided at the top of the document. Include the accession number or collection name; when possible, link to the Archives of American Art website.
- If you wish to use this material in a for-profit publication, exhibition, or online project, please contact Archives of American Art or transcribe@si.edu

For more information on this project and related material, contact the Archives of American Art. [See this project](#) and other collections in the Smithsonian Transcription Center.

of them, I'll have more in 2-3 days. The recent one from you is dated May 26 but I had some from other people from June 8. I suppose in a short time I'll be able to have regular mail and the time is, I think, 3 or 4 weeks. I'll send you some package next week, beautiful ivories here and many other things (I can send only very small packages, it's a pity because I ~~see~~ have seen a wonderful saree (indian dress) for you. Hope to bring it with me back home. My life is regular and quiet here, I have everything, even plenty of cigarettes now. They treat us very ~~good~~ well. I read somethings, I made some drawings, been already to see a poor and old movie - I feel like in the waiting room again. Same kind of feelings, and the kind of spiritual life that can be found in the old magazines of a waiting room. Dear Hedda, you doing me a lot of good with your letters, write me often and put down everything - Take care of yourself Hope you swimming in some good place Maybe I'll be able to go for a short time in the hills, here is very hot and the monsoon is here too, it's raining like hell many times a day so long dear, S.

Archives of American Art

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
