Dear Hedda,

Just a few words from a friend (that's me) in a hurry, I never have the time in these days to sit down comfortable and write you a decent letter, you know, I'm nervous- The thing I was writing you about, the big news- didn't happen yet and I'm more skeptical as the time goes by- I received now a letter from you, Oct 25 and 4 blades. Thanks- I didn't get yet the letters and blades sent thru ONI.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
