Dear Hedda-

Here's a drawing of my room, part of it - crowded & not clean. 3 chinese boys are taking care of it. everyone of them a special-list. First comes in the boy with the broom and first thing he does is to throw on the floor the contents of the ashtrays and waistbasket. He never had the idea yet to empty them on the garbage can which is very near. Then he sweeps the floor raising clouds of dust and ashes. next comes the second boy who makes the beds. The third special-list will clean, with a rag, the "furniture"

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
