The Smithsonian Institution thanks all digital volunteers that transcribed and reviewed this material. Your work enriches Smithsonian collections, making them available to anyone with an interest in using them.

The Smithsonian Institution (the "Smithsonian") provides the content on this website (transcription.si.edu), other Smithsonian websites, and third-party sites on which it maintains a presence ("SI Websites") in support of its mission for the "increase and diffusion of knowledge." The Smithsonian invites visitors to use its online content for personal, educational and other non-commercial purposes. By using this website, you accept and agree to abide by the following terms.

- If sharing the material in personal and educational contexts, please cite the Archives of American Art as source of the content and the project title as provided at the top of the document. Include the accession number or collection name; when possible, link to the Archives of American Art website.
- If you wish to use this material in a for-profit publication, exhibition, or online project, please contact Archives of American Art or transcribe@si.edu

For more information on this project and related material, contact the Archives of American Art. See this project and other collections in the Smithsonian Transcription Center.

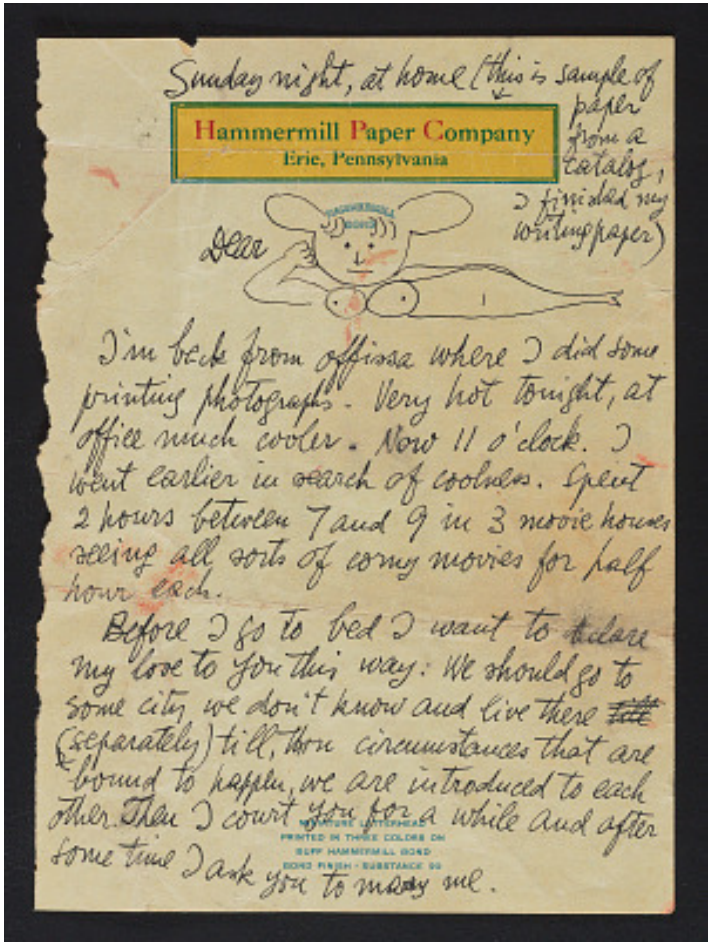

Hammermill Paper Company
Erie, Pennsylvania
HAMMERMILL BOND

Sunday light, at home (this is a sample of paper from a catalog. I finished my writing paper)

Dear
I'm back from offissa where I did some printing photographs. Very hot tonight, at office much cooler. Now 11 o'clock. I went earlier in search of coolness. Spent 2 hours between 7 and 9 in 3 movie houses seeing all sorts of corny movies for half hour each.

Before I go to bed I want to declare my love to you this way: We should go to some city we don't know and live there [[strikethrough]] till [[/strikethrough]] (separately) till. Thru circumstances that are bound to happen, we are introduced to each other. Then I count you for a while and after then, then I count you for a while and after some time I ask you to marry me.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities.Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
