Dear Toshiko:

I went to Taos with Edith Adams and Polly Carswell (the lady at the shed restaurant) and when I returned I found your jams had arrived in the mail. They look like jewels! Thank you very much. I'm anxious to try them as soon as we eat the one we have opened now.

Hope you got to see Joe this week in N.Y.C. It was so good to talk with you. Love, Alice

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
