Henri and I and to see the pictures more fully

I should like to give you a special exhibition, and if you will let me know a day in advance when you will come - either afternoon at about 2 or evening. (not a Thursday when there are too any people but any other day) we shall be most pleased to have you and Mr Roberts come - and any one you should care to bring. [strikethrough] should of course be [strikethrough]

Of course the light of day is better for paintings but if evening would be more convenient our night light has been considerably perfected and things are quite well seen under it.

Thanking you again and with much satisfaction over the article I am yours sincerely

Robert Henri
The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
