Dear Mamma

I miss you very much but I was so glad to see Papa, Sonny and Barby.

We went riding this morning with Olive.

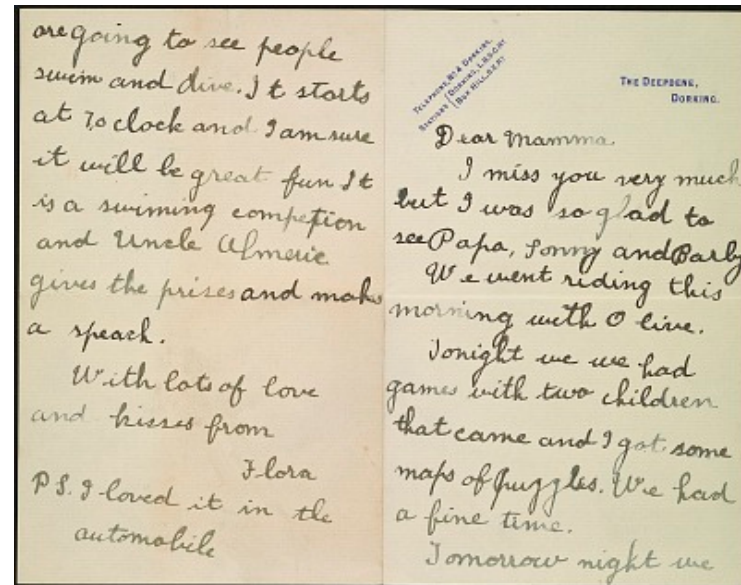

Tonight we we had games with two children that came and I got some maps of Juggles. We had a fine time.

Tomorrow night we are going to see people swim and dive. It starts at 7,oclock and I am sure it will be great fun. It is a swimming competion and Uncle Almerie gives the prises and makes a speach.

With lots of love and kisses from

Flora

PS. I loved it in the automobile

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
