EXPLANATIONS.
If any of the within questions cannot be answered by the Teacher, they may be left for the Superintendent. Place each answer, to the extent of your knowledge, opposite the question, and he will fill the remaining spaces.

Night and Sabbath Schools taught by a group of Teachers should be reported but once.
In the "Remarks" notice any important fact which the blank does not call for.
It is hoped that the Educational Societies will adopt this form of Report; if so, the Bureau can furnish the blanks.
Should more extended forms be used, it would oblige the Commissioner to have them include all the items of this.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
