Fact has eclipsed me & allowed self doubt/hate in their beautiful shadows. I am a ghost person= will always be mad... Now I want to look with alert calmness dead on at this fact and begin to have me control it! This insane sanity does allow for flying= conversely for disaster. I seek the middle way, oh to be "even" what joy! Alas I shall never be Sally housewife in Suburbia...

Your visit was prophetic. You unraveled many secrets to me. Some were intentionally spoke of- some I absorbed unspoken that time took on many levels of consciousness. I learn each time anew from you- once again to stay on the "path": Such freshness. Such open gentleness such magic are U. It is most evident to me why your work is as it is: you are as you are. Enough. Since I cannot fully tell you how I experience you.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
