Dear Sir

I regret to hand in my resignation as a member of the Society of American Artists, but my duties as an active member of the Water Color Society, the New York Etching Club and National Academy of Design and on other committees connected with our profession make it ~~utterly~~ impossible for me to assume my responsibilities as a member of the Society of American Artists

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
