Major,

The Ass't Commissioner directs me to say that from evidence on file in this office it is shown that you failed to make a full investigation and report in the case of Tom Robinson (freedman) and Gus Williams at Newnan Ga as directed in endorsement of July 27th from this Office. The Ass't Com'r regrets to say that your action in this matter exhibits either a lack of ability to execute or neglect to obey the orders from this Office. It is expected that in future a thorough and careful investigation of any and every case upon which you are called to act will remove the necessity of again calling your attention to a similar neglect of duty in this matter.

Respectfully
Your Obt Servant
T. F. Forbes
Lt. & A.A.A.G.

Bvt. Major John Leonard
A.S.A. Commissioner

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
