#915 Union Trust Building,
Detroit, Michigan,
April 4th, 1901.

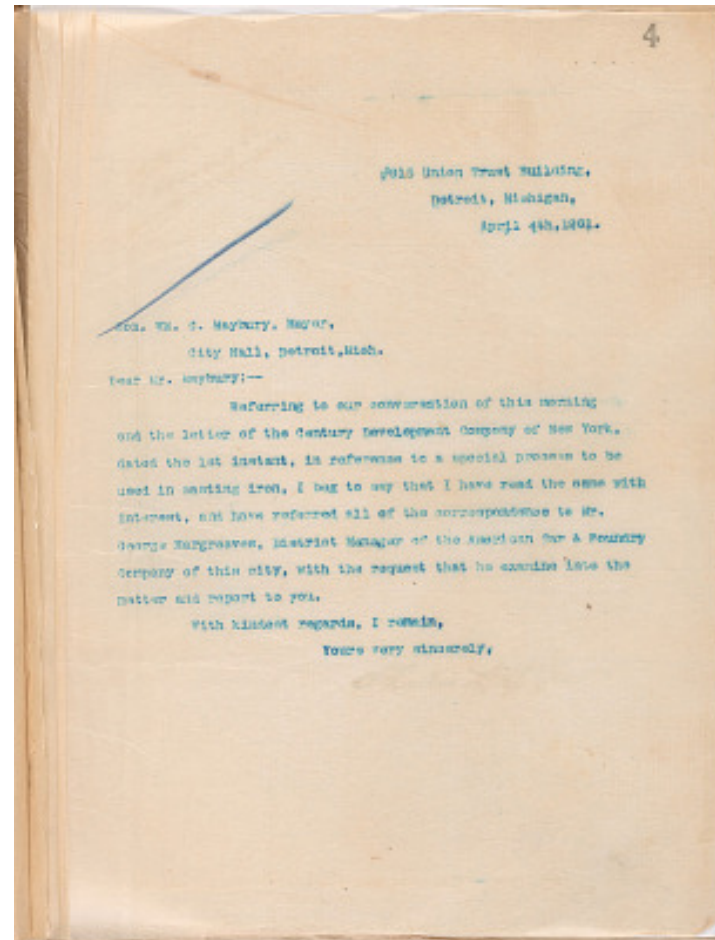

Hon. Wm. C. Maybury, Mayor,
City Hall, Detroit, Mich.

Dear Mr. Maybury:-

Referring to our conversation of this morning and the letter of the Century Development Company of New York, dated the 1st instant, in reference to a special process to be used in casting iron, I beg to say that I have read the same with interest, and have referred all of the correspondence to Mr. George Hargreaves, District Manager of the American Car & Foundry Company of this city, with the request that he examine into the matter and report to you.

With kindest regards, I remain,

Yours very sincerely,

Charles Lang Freer Papers, Letterpress Volume 8, 1904 April 8-December 31

Freer Gallery of Art and Arthur M. Sackler Gallery

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
