POLAYERS.

other Europeans, established a school for Polayer children on the borders of the cantonment of Trevandrum, where they are taught several trades, as well as reading. Their ignorance in every thing showed a deplorable state for human beings to be in. Except as labourers they knew nothing: could not count, and had never seen a larger coin than a chukrum (Less than one anna). It will be very long ere these poor wretches rise much above what they are at present: they are, however, a contented race, and number about 100,000."--

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
