I feel sure my cousin will be pleased to see you when you again visit New York.

This meeting with you gives me an opportunity to say that I would much like to see you at my studio, on a matter of business that concerns myself and may possibly interest you. I will esteem it a favor if you will let me know, if not convenient for you to come to my studio, where I can see you, when you next visit New York.

Very cordially yours.

Frank B. Carpenter

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
