The Smithsonian Institution thanks all digital volunteers that transcribed and reviewed this material. Your work enriches Smithsonian collections, making them available to anyone with an interest in using them.

The Smithsonian Institution (the "Smithsonian") provides the content on this website (transcription.si.edu), other Smithsonian websites, and third-party sites on which it maintains a presence ("SI Websites") in support of its mission for the "increase and diffusion of knowledge." The Smithsonian invites visitors to use its online content for personal, educational and other non-commercial purposes. By using this website, you accept and agree to abide by the [following terms](#).

- If sharing the material in personal and educational contexts, please cite the Smithsonian Institution Archives as source of the content and the project title as provided at the top of the document. Include the accession number or collection name; when possible, link to the Smithsonian Institution Archives website.
- If you wish to use this material in a for-profit publication, exhibition, or online project, please contact Smithsonian Institution Archives or transcribe@si.edu

For more information on this project and related material, contact the Smithsonian Institution Archives. [See this project](#) and other collections in the Smithsonian Transcription Center.

May 1866
 near a salt spring. It was taken by the gentleman who handed it to
 Father with his own hands from beneath the elephant.
 26th Mary Felton left us this morning we were very sorry to have her go.
 27th Sermon on the future state of rewards & punishments. Dr. Gurley
 has gone to attend a meeting of the General Assembly.
 28th Father & self went to call on Dr. & Mrs. Hodge who are with Gen.
 Hunter. They were at tea when we entered. I had the pleasure of being
 entertained by Gen. & Mrs. Hunter their nieces & Mrs. Hodge while Dr.
 Hodge & Father discussed the Gen. Assembly and the question of the
 union of the new & old [[schools?]] under consideration by that body. The
 Dr. was opposed to it as the radical party in the church now so
 powerfully opposed to any gentle measures in [[connexion?]] with the
 south will then have so great an ascendancy.
 [[end page]]
 [[start page]]
 May 1866
 the Dr. has opposed the actions of the assembly in regard to the state of
 the country during the war and is denounced by the radicals.
 Mr. & Mrs. Chanler passed the evening at home we did not get back in
 time to see them. The reproof received by Mr. C. for advocating the
 President policy or rather for what was called his improper manner of
 speaking of those who did not has made him rather sore.
 29th Went to an organ concert with Mr. Torrey in the new baptist church
 Mr. Baber spent the evening here I was sorry to miss him.
 June 1st Mrs. Bridge's niece came to play croquet. Mr. [[Lasleyne?]]
 was here with his Father. The latter is charming in conversation & the
 general expression of benevolence which characterizes his features but
 he is unfortunately very deaf. The young man is bright [[artless?]] &
 enthusiastic. Mr. Bridge came for his niece about

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
