But when G.S. came to Nichols he latter refused to serve with Wiley. Then he altered his decision saying that if Chandler consented to serve he would do so too. Chandler consented so now Nichols consented. G.S. told me that Nichols spoke very well of me. All what they want now is that Wiley should invite Schweitzer and give the latter a chance to decline if he thinks it advisable to do so.

After the supper drove to the Chemist Club in ~~an~~ auto taximeter. Chandler lectured on artificial silk. I made arrangement with

Stone, Richardson & McMurtrie that they should come to Snug Rock and take lunch on Thursday next.

June 6 Seabury was here early with a set of the recent Bakelite insulators. The process now works exceedingly well and his moldings are perfect. I spent 2 hours dictating letter of advice

on CC4 acete anhydride and acetylchloride to Albert Hooker (chge 1/3 day)

Spent remainder of day writing & in laboratory. A most beautiful day. Afternoon visit of Rudolf Erdemeyer who came in his auto. I gave him my two rifles and helmets of Franco Prussian war.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
