Dear Andree

I'm so happy to have heard from you -- but don't know what to write -- I want to speak to you to no one else -- at supper the orchestra was playing "Why do I love you" and you will surely not object to our being sentimentally reminiscent at this distance  It really exasperates me to think that you are so far away-- a part of me seems closed to me and I am almost another

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
