intelligence by his courage.

May 30. Decoration day. Stayed home and spent restful day. Clear in morning alternated with heavy showers. Early to bed but I felt poorly after telegram from Niagara Falls to call me there tomorrow.

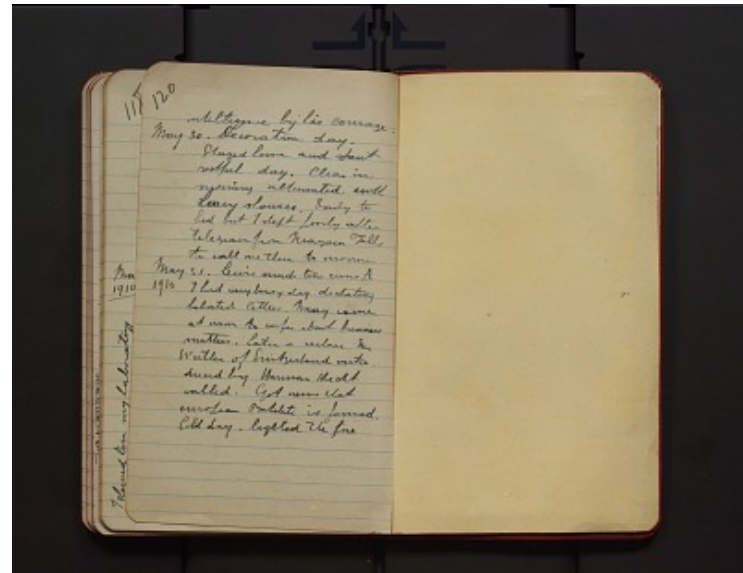

May 31. 1910

Lewis made two runs A I had very busy day dictating belated letters.

May came at noon to confer about business matters. Later a certain Mr. [[Witler?]] of Switzerland introduced by Herman Hecht called. Got news that European Bakelite is formed. Cold day. lighted the fire

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
