Sept. 1. 1910. Rain rain rain. Got letter from Peters asking to give  
[[exclusive]] monopoly for insulators to [[Boonton & Protal combined. —  
Not much! answered him accordingly Rain all day and all night  
Sept 2. Dictated letters until 12 M. Wrote letter to Consular reports  
correcting a report on [[resinit]] and claiming my  
priority of patent rights. Lewis drove Celine, Nina & myself to New York  
Nina went to Toch's; we went to boat for Dr. Loeb's house ^[[in N.  
Jersey]]. "Sunset Hill" at Seabright. Met Mr.  
[[Paul]] Felix [[Warberg?]] on boat, also Mr.  
Levi the architect and his wife. Beautiful well planned grounds of large  
extent. I notice that their trees seem to grow easier than ours. More  
moisture in the air. but atmosphere feels more

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
