Drove home with Whitaker in his little

~~Huffon~~ Hup mobile. cold night. Padded myself with newspaper and borrowed overcoat of Bowman.

Oct. 22. Stayed home dictated letters etc. restful day order two more barrels of varnish. This brings orders of the month up to \$ 1800 the biggest we ever had. Things seem to be progressing nicely.

Yesterday afternoon in New York office Dyer, president of National Phonograph Co came to see me in regard to long deferred appointment. Showed him my samples and explained process. Did not make price. told the matter had to be deferred until later. May was present

He will send his technical expert Monday afternoon to Yonkers so that Thurlow can show him how to proceed in testing our samples.

This evening went to fetch Toch at Cortland. He took supper with us.

~~the~~ and he gave me some advice relative Bakelite Varnish etc. Drove him to Cortland at 10 P.M. Rainy wet day. Toch goes to Europe for four weeks next week.

(Sunday) Oct 23 [^][[1910]] Quiet morning. Told to George to get all data for building a boat together. afternoon drove to Whiteplains to Felix Warburg's Country place to lunch with Jacob Schiff + his wife and Morris Loeb + wife splendid place. english manor style. Big swimming bath near green house, [^][[glass]] covered and with plants. so as to make it look

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
