tive search lights because it prevented spreading of the armature. This man Reuter who seems to be their electrical expert does not impress favorably, seems to be light headed.

Tedious waiting for train for Indianapolis about one hour late.

Arrived Indianapolis about 8 P.M. Hotel Claypoole very pretentious and badly organized service. Feel very tired. Tedious waiting for train. Left about 11 P.M for Pittsburgh. Hot and stuffy. Bad sleep.

April 14 Sunday. Train late had to hurry catch connection

for Washington in Pittsburgh. Crowded Parlor cars. Met librarian of Harrisburg and a Mica? man connected with Bureau of Mines.

Arrived Washington about 7 P.M Hotels crowded on account of meeting of D.A.R.

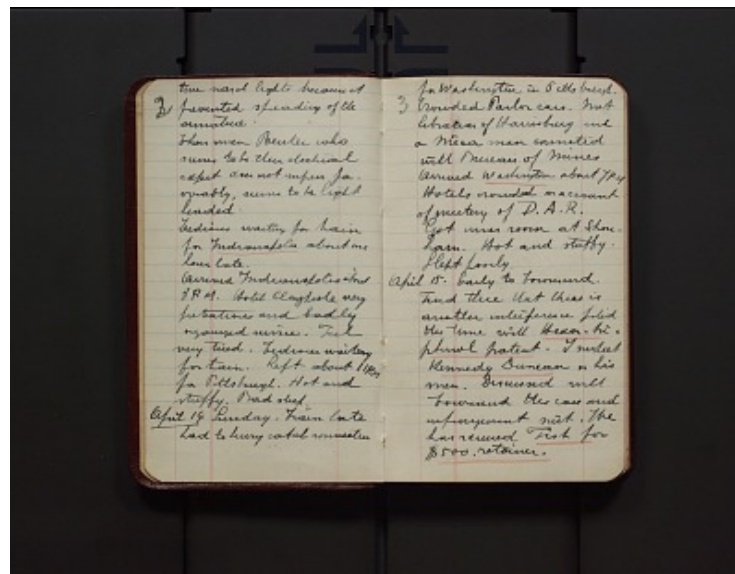

Got inner room at Shoreham. Hot and stuffy, Slept poorly.

April 15. Early to Townsend. Find there that there is another interference filed this time with Hexa-triphenol patent.

I suspect Kennedy Duncan or his men. Discussed with Townsend the case and infringement suit.

He has secured Fish for \$500. retainer.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
