Fish again there. We spoke several times. I spoke several times in a conciliatory way. The disagreement is about asking for a commission. Fish and the others think this is dangerous and ill-advised at this time. I think otherwise. Mershon and other inventors makes it condition sine qua non. Finally thru Pupin a resolution was passed on which we all voted unanimously. At lunch conference with Fish, Townsend and Brickenstein in regard to last tactics to start our infringement suit against Condensite [[in pencil below text]]

After that, I joined the others and we separated at about 2 P.M. Remained all afternoon at Townsend's office. At evening I invited Townsend, Brickenstein and Pupin for supper. Then went to Cosmos Club. Then took B. & O. at 12:15 P.M. Slept poorly like usually. April 17. Arrived N.Y. early went directly to office. Reported to Hasslach. May not there. ~~Took~~ Went to Hooker's office spent two hours there reporting on several matters. Charge 2 hours [[in margin]] # 10.00 [[/in margin]] (\$10.00) Hooker is very active in Roosevelt

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
