campaign and seems to be much absorbed in the subject. Promised him \$100.00 subscription. Then rushed to Perth Amboy with 1:30 train. William Gordon there Rossi away. Gordon confirms by his experiments that NaOH gives quicker molding mixtures than any Hexa. Took supper Mouquin then went to Chemists Club where I met Little. Home with 10:45 P.M. rain. Feel nervous and tired but had poor sleep.

April 18. House still filled with workmen. Spent all day dictating letters. Very much disgusted with

everything. Spent afternoon revising my address on abuses of Patent System.

April 19. Busy morning dictating. [[left margin O with resting on top with \$10.00 written below]]

Spent one hour on R.B.P.Co Afternoon to office. Met Brock & Seabury who are sore because Remy stopped their orders. Had conference in which May and Hasslacker participated. At 6 PM met Westin at Belmont Hotel and took supper with him. I told him about our intention to sue Condensite Co and their customers for infringement. He says is willing to help us by testimony and otherwise. Calls my attention that the judge for which the case will come up is Edison's friend

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
