A handwritten ledger page with entries in cursive script. The text is written in dark ink on aged, slightly yellowed paper. The entries are organized in a list-like format, with some entries including numbers and company names. The handwriting is somewhat slanted and consistent throughout the page.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
