Dec, 1[[overwritten]] 0 [[/overwritten]]1, 1891.
[[line across page]]

Left Elk River at 5:20 A.M. Train poked and waited & did not reach St. Paul till 7:30
Had 20 minutes to go up town & get ticket & back to depot & got trunk checked. Was just 4 minutes late and last the 7:50 train.
We had to wait till 7:30 P.M. for next train - could have gone at 1 P.M. by other R.R. but had tickets by the C. St. P. M. & O.
Went to Delicatessens Restaurant & paid a big price for a poor breakfast. Waited at Depo till after noon.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities.Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
