The Smithsonian Institution thanks all digital volunteers that transcribed and reviewed this material. Your work enriches Smithsonian collections, making them available to anyone with an interest in using them.

The Smithsonian Institution (the "Smithsonian") provides the content on this website (transcription.si.edu), other Smithsonian websites, and third-party sites on which it maintains a presence ("SI Websites") in support of its mission for the "increase and diffusion of knowledge." The Smithsonian invites visitors to use its online content for personal, educational and other non-commercial purposes. By using this website, you accept and agree to abide by the [following terms](#).

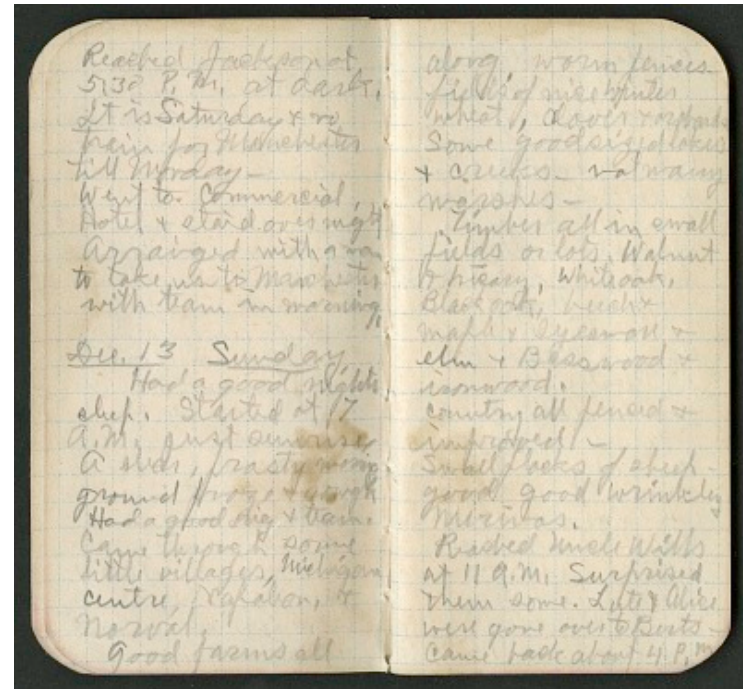

- If sharing the material in personal and educational contexts, please cite the Smithsonian Institution Archives as source of the content and the project title as provided at the top of the document. Include the accession number or collection name; when possible, link to the Smithsonian Institution Archives website.
- If you wish to use this material in a for-profit publication, exhibition, or online project, please contact Smithsonian Institution Archives or transcribe@si.edu

For more information on this project and related material, contact the Smithsonian Institution Archives. [See this project](#) and other collections in the Smithsonian Transcription Center.

Reached Jackson at 5:30 P.M. at dark.
 It is Saturday & no train for Manchester till Monday -
 Went to Commercial Hotel & staid over night
 Arranged with a man to take us to Manchester with team in morning.

Dec. 13 Sunday

Had a good nights sleep. Started at 7. A.M. just sunrise. A clear, frosty morning ground froze & rough
 Had a good rig & team. Came through some little villages, Michigan Centre, Napoleon & Norval
 Good farms all
 along, worn fences.
 fields of nice winter wheat, clover & orchards.
 Some good sized lakes & creeks - not many marshes -
 Timber all in small fields or lots. Walnut & hicory, White oak, Black oak, beech & maple & sycamore
 & elm & Basswood & ironwood -
 Country all fenced & improved -
 Small flocks of sheep - good good wrinkley merinos.
 Reached Uncle Wills at 11 A.M. Surprised them some. Lute & Alice were gone over to Berts - came back about 4 P.M.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
