and walked out near hospital. Saw row of portraits displayed on peristyle of some of the houses. All homely looking things! Guide calls attention that regular prostitutes have their hair done up in special style with an ugly bunch of false hair on top. Saw not the slightest thing which might give objection. ~~Some~~ Guide tells me this visit is only interesting at night and should be made at that time.

After supper ~~[[Endo?]]~~ and the Younger chemist of Kwanto Co. came to consult me further about some data they did not understand. They have to submit their report to morrow. They remained at hotel till 9:30 P.M.

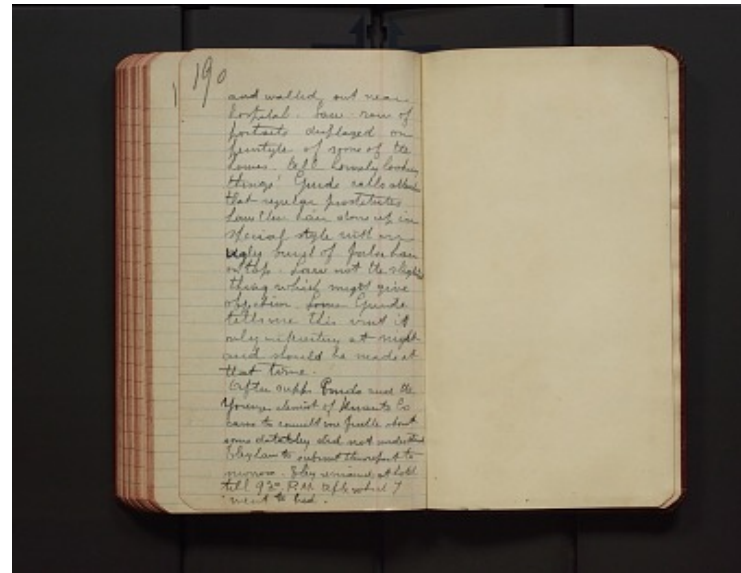

After which I went to bed.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
