We went together for supper at the Manhattan Hotel, Celine like usually, since she became a vegetarian eating only food free from animal products. Then we went to see a play "The silent Voice" which ~~might~~ had a subject worthy of a better treatment and better acting. Theatre filled completely Home with the 11:45 train. Nina is at Brownell's overnight. George is still in the Adirondacks. This closes a very eventful and sad year!

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
