in character as well as face and figure.

None of the Potters have appeared today. I fear they are not very well, poor things. The run was very poor to-day, and we do not expect to land in Liverpool until about seven o'clock, which will enable us to take the eleven o'clock train Saturday night.

Run 433.

There was a concert this evening, but as the motion was pretty bad several of the things that were to be done, could not. Miss Mitchell played at the piano very well.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
