Kununurra, W. Australia 6743

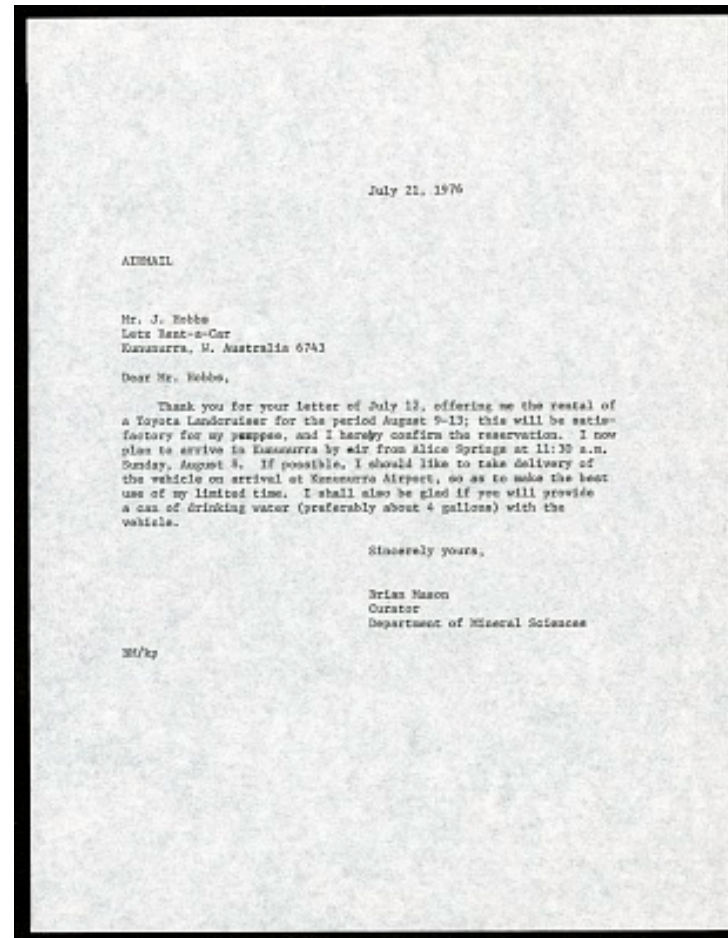

Mr. J. Hobbs,

Thank you for your letter of July 12, offering me the rental of a Toyota Landcruiser for the period of August 9-13; this will be satisfactory for my purpose, and I hereby confirm the reservation. I now plan to arrive in Kununurra by air from Alice Springs at 11:30 a.m. Sunday, August 8. If possible, I should like to take delivery of the vehicle on arrival at Kununurra Airport, so as to make the best use of my limited time. I shall also be glad if you will provide a can of drinking water (preferably about 4 gallons) with the vehicle.

Sincerely yours,

Brian Mason

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
