[[Dear?]] Sadie

When I had finished your letter it was about 7-45 P.M. I then had some strawberry shortcake which satisfied my stomach & some Hortons Ice Cream which cooled my fevered brow. I then tried the same old stamp machine with nickel for two stamps but it didn't work = the clerk refunded the nick' & I got two stamps at druggist at regular price. On Wed: I got up at 6 o'clock made breakfast of Bananas & answered a feeling without the aid of a hose - at 8-30 took car for Art Museum in Park but found it did not open until 10 o'clock walked from there 82nd St to 59th where the mangerie is - Met a policeman & other people. Saw a young woman changing her kid on a bench - a few squirrels - quite tame - ran about Enjoying the warm Sun & cool shades.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
