then to court in Brooklyn Redman on stand ~~test~~ direct describes more samples. Then afternoon demonstration so-called Luft by Wyeth in presence of judge. Advantage of open court. Judge much interested and more than one clever question showing his following keenly. Was able to get some samples from exhibits for further tests. Very tired when got to club. Tomorrow Little sleep again.

April 5. Albert came to fetch me at nine. Spent all day in lab, testing samples and studying testimony - Evening Rossi came to talk over matters.

April 6 (Sunday). Up at 5 A.M started studying testimony then in lab. [[end page]] [[start page]]

with Gothelf, then Townsend came, then after lunch came Neave but left after an hour or so. Townsend remained here for supper. Feel very tired again altho' this morning everything seemed rather simple.

[[two red !! in margin]]
I am thoroughly disgusted with life and feel fooled and nervous and irritated and very very tired. - my brain seems to refuse to work.

Drove back to New York went to bed immediately could not sleep at first then fell asleep, awoke at 4 AM and started reading testimony and studying the case.

April 7. Rushed off at 9. to Neave's office there gave dictation to Miss Evans and

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
