here for supper with Frederick. Nina and Cornelia still in camp. Drove with Frederic to SS. Zeeland at 9 P.M. was back here at 11.30 P.M. Very sultry and warm. Sept 25. Warm & sultry day. Spent all morning writing letters to Bishop & Damard. Hays is away so cannot consult him so consulted Schleussner and Geo B who entirely accept my recommendations as to letter I wrote to Bishop on regard of Damard, Modensite, Pinchon & Johnson and Ferguson. During the night violent rain and electric storm and weather turns cool. Sept 26. Unusually cool but sunny. Petersen sires from Florida that ION has wonderfully escaped with relatively

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
