[[/preprinted]]

Dear Mr. Brumbaugh -

Just received your nice letter, and it so happens that I made a copy of the Hina Rapa - with a terra cotta finish on it for a friend of mine - & he came for it yesterday. So I made one for myself at the same time. I have made several for some close friends and sold them for 400.00 as the cost in bronze is nearer five thousand. This cost is really almost for the casting and finishing. However, if you would like to visit me sometime, I may have one or two things ----.
Sincerely
Harry Rosin

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities.Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
