Why why why are the May's breaking-up the dear old Dublin life for us all?
 Change, change, how we have to learn it.
 You tell us nothing but can't you come and visit us over a Sunday some times in Dublin? Do.
 My Dick Fisher
 whom I love more and more
 is also to be far away (gone into a fine government foresting life out in the Rockies) and I am left mighty tender hearted.
 We are all well, very. Our love to all your family. I trust your news from your noble sister Edith is still good. Yours affect. Abbot H. Thayer
 Let me send my love to Ms Paine.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
