The Smithsonian Institution thanks all digital volunteers that transcribed and reviewed this material. Your work enriches Smithsonian collections, making them available to anyone with an interest in using them.

The Smithsonian Institution (the "Smithsonian") provides the content on this website (transcription.si.edu), other Smithsonian websites, and third-party sites on which it maintains a presence ("SI Websites") in support of its mission for the "increase and diffusion of knowledge." The Smithsonian invites visitors to use its online content for personal, educational and other non-commercial purposes. By using this website, you accept and agree to abide by the [following terms](#).

- If sharing the material in personal and educational contexts, please cite the Smithsonian Institution Archives as source of the content and the project title as provided at the top of the document. Include the accession number or collection name; when possible, link to the Smithsonian Institution Archives website.
- If you wish to use this material in a for-profit publication, exhibition, or online project, please contact Smithsonian Institution Archives or transcribe@si.edu

For more information on this project and related material, contact the Smithsonian Institution Archives. [See this project](#) and other collections in the Smithsonian Transcription Center.

Nov 29, 1937 cont.

Don had a Mexican dinner for 22 people including all the Biological Survey personnel at [?] Mexican Restaurant & it was a dandy. Best food & best job I've ever seen.

Nov 30, 1937

Conferences with Don, Bill Krunweis, Barkley, Hugh Woodward, and Elliott Bashes of New Mexico Game Commission. In afternoon with Ray Gambut of Ariz. young Jack Yelton of enforcement staff. Had lunch at Harold Crowleys and at Kiwanas in evening.

Dec 1, 1937

Left at 800 AM for L.A. Corrected radio talks and speech for Wild Life Federation. Wrote steadily all day and was tired by night.

Dec 2, 1937

Arr. L.A. at 800 AM met at station by Jim Savage and his deputy. Go to hotel & get radio talk ready. To K.F.I. for talk and give it. then to Savage's office and to California Club where I met Mr. Lord, Bill Pemberton and others. Talked for 40 minutes and think I made some friends. Back to hotel & called Segall's place. Out for dinner with Lyle, Laura, & Mildred. Back to hotel at midnight. Tired out but talked to about 100 duck hunters and think I helped Savage some.

December 3, 1937

Slept later & felt better. Up in morning and out to L.A. museum. Talked last night over phone with Henderson about budgets.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
