February 5, 1941

Dr. Waldo Schmitt,
Smithsonian Institution,
Washington, D. C.

Dear Dr. Schmitt:

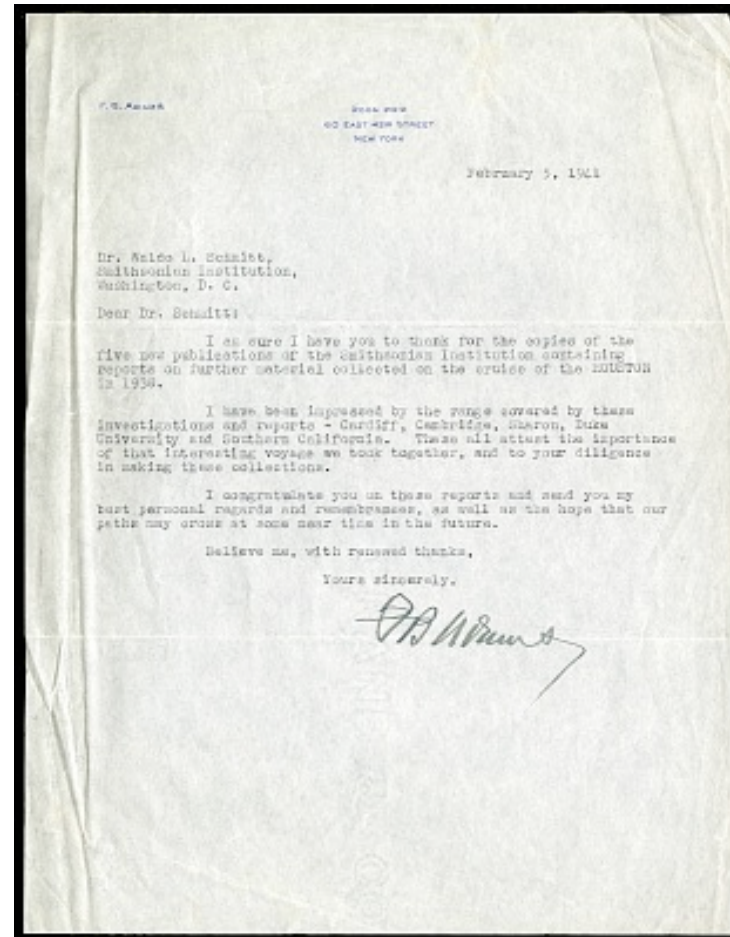

I am sure I have you to thank for the copies of the five new publications of the Smithsonian Institution containing reports on further material collected on the cruise of the HOUSTON in 1938.

I have been impressed by the range covered by these investigations and reports - Cardiff, Cambridge, Sharon, Duke University and Southern California. These all attest the importance of that interesting voyage we took together, and to your diligence in making these collections.

I congratulate you on these reports and send you my best personal regards and remembrances, as well as the hope that our paths may cross at some near time in the future.

Believe me, with renewed thanks,

Yours sincerely,
F B Adams

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
