Gerry Redmond. Locust Valley. Long Island. N.Y.

Stuart Miller, Scarsdale, N.Y.

And Bross Lloyd. Lee. Mass.

All the Lads stood regular sea watches; and helped to handle the Schooner, and do any job that they were called upon to do. They were at all times attentive and efficient. One could not wish for a better Crew of Lads.

David C. Nutt, of Cleveland volunteered to Collect birds for the Cleveland Museum

of Natural History. He collected and skinned 200 birds or more. His Collection was labelled and done as efficiently as an old hand. Whereas this was his first Experience. He had however, previous to this sailing, received training in his off school hours at the Cleveland Museum. As usual Dr.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
