Note.--The amount dumped ^[[mushy fish [[?]] Cobbs letter Nov. 9-14]] is merely approximate as these fish are not weighed.

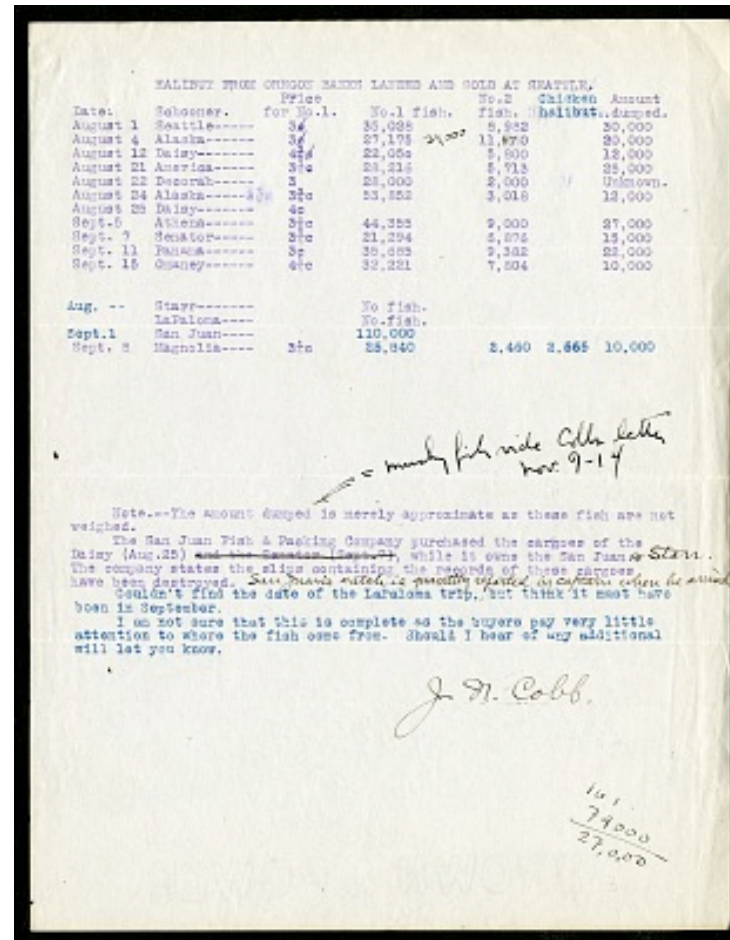

The San Juan Fish & Packing Company purchased the cargoes of the Daisy (Aug. 25) ~~[[strikethrough]]~~ and the Senator (Sept. 7) ~~[[strikethrough]]~~ while it owns the San Juan. ^[[& Starr.]] The company states the slips containing the records of these cargoes have been destroyed. ^[[San Juan's catch is quantity reported by captain when he arrived.]]

Couldn't find the date of the LaPaloma trip, but think it must have been in September.

I am not sure that this is complete as the buyers pay very little attention to where the fish come from. Should I hear of any additional will let you know.
